

Mackey::Graph::computePath
_default

Mackey::operator<<

Mackey::Graph::computeWith
Source

```
graph LR; A[Mackey::Graph::computePath  
_default] --> C[Mackey::Graph::computeWith  
Source]; B[Mackey::operator<<] --> C;
```

The diagram consists of three rectangular boxes. Two boxes on the left point with blue arrows to a single box on the right. The top-left box is white with a black border and contains the text 'Mackey::Graph::computePath' followed by '_default' on a new line. The bottom-left box is also white with a black border and contains the text 'Mackey::operator<<'. The box on the right is gray with a black border and contains the text 'Mackey::Graph::computeWith' followed by 'Source' on a new line. Two blue arrows originate from the right side of the left boxes and point to the left side of the right box.
