

Mackey::internal::equivariant
_base_names

```
graph LR; A[Mackey::internal::equivariant_base_names] --> B[Mackey::summation]
```

A diagram showing a relationship between two concepts. On the left is a gray rectangular box containing the text 'Mackey::internal::equivariant_base_names'. A dark blue arrow points from the right side of this box to a white rectangular box on the right. The white box contains the text 'Mackey::summation'.

Mackey::summation
