

Mackey::check_isomorphism
_p_group

```
graph LR; A[Mackey::check_isomorphism_p_group] --> B[abs]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'Mackey::check_isomorphism' on the top line and '_p_group' on the bottom line. The right box is white with a black border and contains the text 'abs'. A blue arrow points from the right side of the gray box to the left side of the white box.
